19/19 Reports

A Chair's Report. See the Chair's year-end report in the minutes of the 29 April 2019 Annual Parish Meeting.

B Crime & Prevention. PCSO Steve Tibbles #30262 attended the meeting and reported:

- The Service Level Agreement states that Parish Councils will be visited once a year by a PCSO.
- The job description for PCSOs has changed over the years and will continue to change. You won't be seeing PCSOs walking the streets anymore, but they do show up to investigate incidents. It might not be the same one twice in a row.
- From March 2020 all Local Policing Teams must have only 7 PCSOs. The St Austell Team has 7.4 PCSOs!
- The team includes: 1 Inspector, 2 Sergeants, 2 Police Constables.

ML

- TSSO is a Tri-Service Safety Officer. They are located at Lostwithiel, but do not operate more than 5 minutes from their base.
- The 101 number is problematic because it will be answered quickly by someone who then puts you in a queue and you can be on hold for a very long time. If this happens to you, please email with your complaint about the service to: opcc@devonandcornwall.pnn.police.uk The 101 service will not improve unless lots of people complain about it.
- You can find out more about the Local Policing Team at: www.devon-cornwall.police.uk/your-area/teams/Fowey-Loswithiel-St-Blazey/
- When personnel is available there is a surgery in St Blazey: Police Surgeries at St Blazey Police Station, every 7th of the month, 9am-12pm.

C Cllr Saunders' report to the Parish.

- The garden village has had reserved matters approved and work has begun.
- STARR has secured the last tranche of funding that it needed. We will be talking a lot about STARR in the next few months. There will be a presentation about the project at the St Blazey Football Club, dates and times to be confirmed. The project will hold private surgeries for the affected landowners.
- The traffic counter that was set up at Reperry appears to indicate that no cars are exceeding the 40 mph limit. It is difficult to get traffic accident reports for a particular area. Cllr Saunders will continue to look into the traffic problems there.
- (Modification Order WCA 546) Some time ago an application was submitted for a new Footpath between Pontois Mill and Tywardreath Highway to be added to the definitive map. It is now 4th in the queue for official designation.

D Neighbourhood Plan steering group. The Steering Group has been addressing the issues brought up by the independent examiner. They expect the final draft to be ready for the referendum relatively soon.

E Skate Park Working Party. No report was received.

PCSO Tibbles left the meeting.

19/20 Considerations

A It was **RESOLVED** (proposed KBi, 2nd MLa) to accept the Service Level Agreement from Cormac Solutions for the cleaning of the public toilets at £3,916.65 + VAT for April 2019 – March 2020. After the council had set its budget, Cormac advised that it will now abide by the Living Wage. Nevertheless, the total annual fixed fee for the cleaning contract is only £16 over the parish council's budget figure.

B Acceptance of the Grass Cutting Agreement was **DEFERRED** until the next meeting in order to liaise with A&A regarding the areas involved.

C Consideration of whether to continue the broadband contract in the Luxulyan Memorial Institute was **DEFERRED** until next month in order to confer with the Institute committee.

19/21 Planning

A Planning issues and correspondence. Planning decisions are reported in Clerk's Notes and on the website.

- The council was offered a pre-application site visit on 11 May at Treskilling but was unable to attend. ML will send some dates to the clerk to coordinate another visit with the landowner.
