Other members will be listed on the Neighbourhood Plan webpage and also dates of meetings. JS will also put the information on the Facebook page, which is up and running but doesn't have much information yet. The Group is hoping the Institute will get internet soon. GH emphasised that all parish councillors are welcome at NP meetings though only two councillors are official representatives for LPC.

ACTION: Clerk, GH, RS

A business accepting building rubble for payment is advertised on Facebook. The rubble is being dumped adjacent to the stream and it is unknown how the watercourse and drainage will be affected. Cornwall Council and the Environment Agency have been advised. The clerk will write to CC again with a copy to Cllr Rix and Sheryll Murray MP.
ACTION: Clerk

C Planning decisions are reported in *Clerk's Notes* and on the website. No issues were raised at the meeting.

Firstly, LPC noted that the land is in a Designated Rural Area (Housing Order 1981) and is unsure whether this proposal is compatible with the designation. Secondly, no business plan or site plan was submitted, nor explanation about parking, water supply or sewage disposal. The clerk will write to the case officer explaining that there is not enough information to make a decision on this proposal.

ACTION: Clerk

- iv. **PA16/09846** | Siting of two mobile homes, two touring caravans (for nomadic use) and construction of one utility dayroom for use by extended family | Apondarose Minorca Lane Bugle St Austell Cornwall PL26 8QN

After discussion, LPC **RESOLVED** to submit the following comments (proposed KB; 2nd BF): *** Luxulyan Parish Council **OBJECTS** to this application because it is in an Area of Great Historic Value and an Area of Great Scientific Value. It is a Designated Rural Area in accordance with the Housing Order 1981; it is in Flood Zone 2 & 3. The STARR project should be consulted, because it is in a designated Flood Zone. Access to the main road is not ideal and possibly dangerous.

Luxulyan has noted that the Oxford Consultants for Social Inclusion (OCSI) show that impermanent housing in Luxulyan Parish is at 11.5%, whereas the average in England is 0.4%. The amount of impermanent residences in Luxulyan already appears excessive.

- C Bus Shelters. CC has replied thanking LPC for an excellent response to their query about bus shelters in the parish and acknowledged all 4 shelters (Churchtown, Lockengate, Conce Moor and Bridges). The council **NOTED** that the Conce Moor and Lockengate shelters are looking unloved, but still function and so improvements are not urgent.

- D Cemetery. The clerk will request A&A get the moss off the pavement at the cemetery as a matter of urgency.

ACTION: Clerk

- E Footpaths. RS reported that Cornwall Council has work in progress to keep water off FP6 and FP8. The closure of FP10 has reached its statutory limit, so CC will have to open it or advise when the work will be done to open it.

- F Luxulyan Memorial Institute. The Institute is considering getting internet, which would be of great help for the Neighbourhood Plan Steering Group and also be of help to the Parish Council. It would make the Institute more attractive as a venue. The clerk will get a quote from BT.

ACTION: Clerk
