17/38 Public Session

Mr D Weston came to discuss three highways issues: 1) The Luxulyan sign towards Gatty's Bridge is gone. 2) Speed in the village is a problem, especially motorbikes. Trying again for a 20 mph limit would be good. 3) The Eden Project traffic through Lockengate is a continuous problem.

ML explained that she is waiting for a date from Highways to have a joint meeting with the PCSO to discuss all these problems. Meanwhile, the clerk will write to Highways.

ACTION: Clerk and ML

The member of the public left the meeting.

17/39 Review of action points

The clerk was requested to get 3 quotes for improvements to the public toilets and she has the name of a recommended contractor who needs to meet at the toilets in order to be able to quote adequately. Other quotes may be requested based on the finalised list of items needed. ML, AC and CG are available to meet. The clerk will arrange the meeting.

17/41 Finance

A Clerk's reports *Payments against Budget* and *Bank Rec* were discussed and **NOTED**. The *Cash Flow* needs updating and should be available in July. The clerk has sent a handout regarding the allocation of earmarked funds and this will be discussed at the next meeting.

B The clerk explained that the Burial Records, though complete, are in need of better organisation. Following the clerk's training in the laws concerning burials at the SLCC Practitioner's conference in February, the clerk requested 10 hours of overtime to bring the burial records into better order in a digital file. The paper record will remain intact, but the search facility in a digital record is much more efficient. SP pointed out that 10 hours was probably not sufficient to complete the task; however, it would be good to make a start. It was **RESOLVED** to grant 10 extra hours for this task (proposed SP, 2nd FP).
