

Np Comments from Organisations

Dear Mrs Wilson having considered the above the content of which is noted South West Water has no specific comment at this time other than to confirm the likely predicted growth in housing over the plan period is not going to present any problems in our supporting such.

Regards

Luxulyan Neighbourhood Plan Consultation SUBMISSION ON BEHALF OF NATIONAL GRID

YE Route - 400kV from Indian Queens substation in Cornwall to Landulph substation in Cornwall.

From the consultation information provided, the above overheads powerline does not interact with any of the proposed development sites.

Gas Distribution – Low / Medium Pressure Whilst there is no implications for National Grid Gas Distribution's Intermediate / High Pressure apparatus, there may however be Low Pressure (LP) / Medium Pressure (MP) Gas Distribution pipes present within proposed development sites. If further information is required in relation to the Gas Distribution network please contact plantprotection@nationalgrid.com
